Overview

Funny Or Not is a website where people can find a lot of jokes grouped in variety of categories. Its goal is to entertain its users.

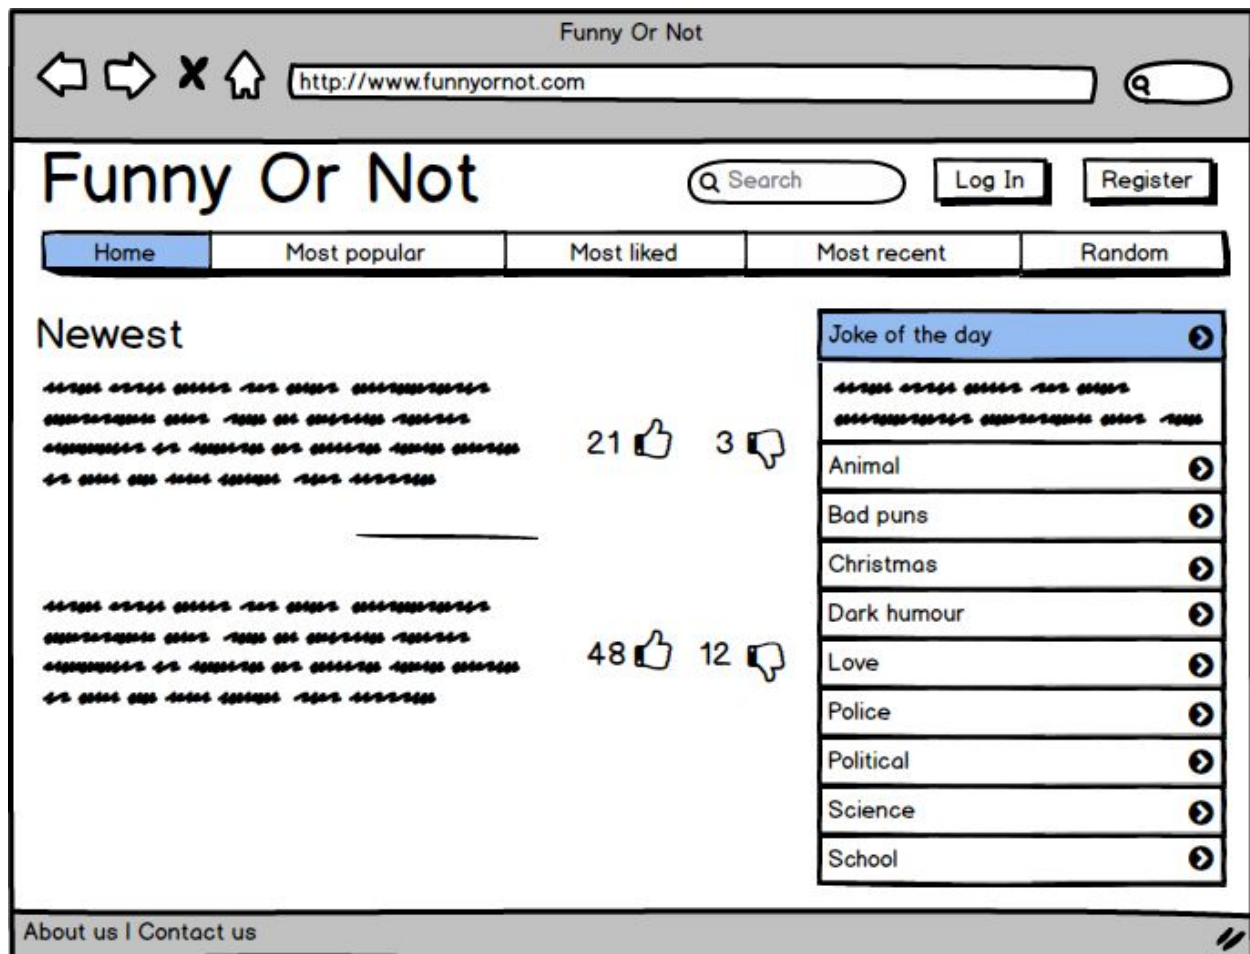

After the users register successfully, they would be able to like/dislike jokes. Also, they would be able to post their own jokes.

Target audience

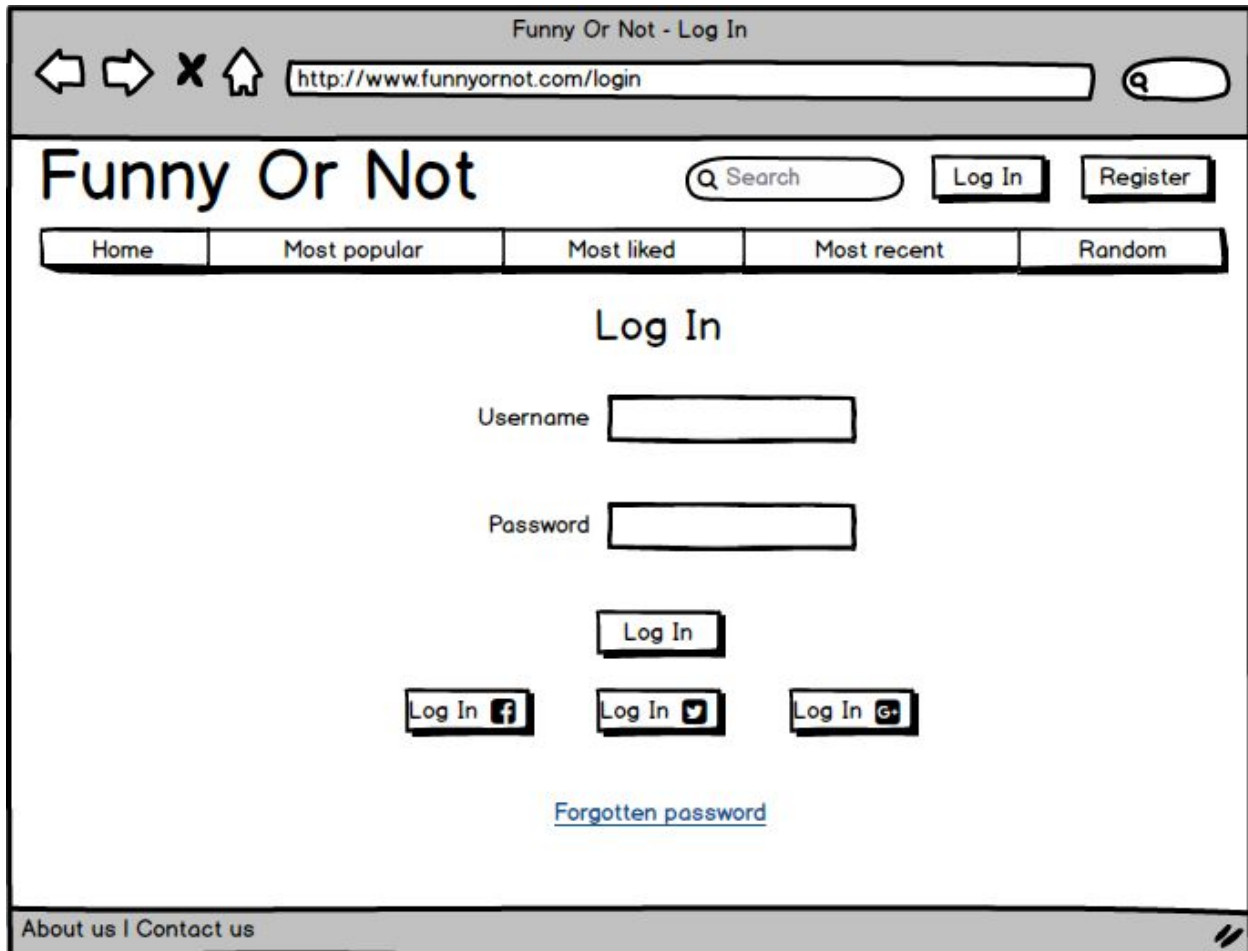

The website is suitable for people of all ages. The sensitive content is restricted for underage groups. To view that content it is required for the visitors to register with their age over the age restriction. If an underage user tries to view explicit content or content not suitable for kids, they will be prompted for a confirmation whether they really would like to continue. The website content is targeted to all countries worldwide, there are no localisation restrictions, it is suitable for every gender, ethnicity, income and qualification. The content is restricted to one language, it is fully in English. There are no viewing device restrictions.
